## FEBRUARY 2017 NEWSLETTER

Ahhh ... February. The month of hearts and roses and love. Would you like to begin some new family traditions this Valentine's Day? Here are a couple of ideas....

1. Ask the kids to tell you how they think Valentine's Day began. Write down what they say. Then do some research with the children, online or at the library, and see if their ideas are correct.
2. Designate the month of February as a time to show special love in your home. Read the following paraphrase together of 1 Corinthians 13:4-7 (The Message).

*Love never gives up.  
Love cares more for others than for self.  
Love doesn't want what it doesn't have.  
Love doesn't strut,  
Doesn't have a swelled head,  
Doesn't force itself on others,  
Isn't always "me first,"  
Doesn't fly off the handle,  
Doesn't keep score of the sins of others,  
Doesn't revel when others grovel,  
Takes pleasure in the flowering of truth,  
Puts up with anything,  
Trusts God always,  
Always looks for the best,  
Never looks back,  
But keeps going to the end.*
